Call for nominations for Joburg Road Safety Council members

The MMC for Transport in the City of Johannesburg, Cllr Rehana Moosajee is inviting residents and stakeholders in Johannesburg to nominate individuals for a Johannesburg Road Safety Council. This is in line with the City's commitment to work with communities to make Joburg streets safe for all road users.

The City is looking for road safety activists who will drive Joburg's road safety agenda with great passion and zeal in partnership with the residents and stakeholders. They will be volunteers who care about the safety of their fellow residents.

Nominees will need to meet the following criteria:

- Residents of Johannesburg;
- Have a passion for issues of road safety;
- Have a track record and/or experience on issues of road safety.

Nominees may be invited for an interview before being appointed.
