

# Public Consultation on the Proposed Public Transport Transformation and Empowerment Policy

The Transport Department in the City has been pioneering approaches for the transformation of the public transport sector in general and the empowerment of the mini bus taxi sector in particular. The majority of the initiatives have revolved around the introduction of Rea Vaya BRT in Johannesburg. The City has revised its policies and is seeking comments from the public before getting Council approval.

Copies of this policy for public comment are available at:

## Joburg website:

- [www.joburg.org.za](http://www.joburg.org.za), select Key Documents, Policies, Transport, Transformation and Empowerment Policy
- Regional offices of the City of Johannesburg, the details of which can be found at [www.joburg.org.za](http://www.joburg.org.za)

## Consultative meetings

Members of the public are invited to a meeting where the proposed policy will be presented. The details are as follows:
