HITACHI
Inspire the Next

**Hitachi-DST Scholarship Programme 2018
Call to South African Engineers**

South Africa's Department of Science and Technology (DST) and Hitachi, Ltd., a Japanese multinational corporation specialising in high-technology equipment including water, are inviting South African engineers to forward their applications for the 10th scholarship-training programme offered in Japan. The objective of this Programme is to enhance the capacity of South African engineers in the areas of water and sanitation treatment and service in support of South Africa's social infrastructure development programme. The two-month scholarship provides technical training at Hitachi factories, visits to Japanese water utilities and a Japanese introductory course at The Association for Overseas Technical Cooperation and Sustainable Corporation (AOTS). The scholarship includes training fees; return flights to and from Japan, accommodation, local travel expenses in Japan, insurance and a food allowance for each successful candidate. Engineers that comply with all the following requirements are eligible to apply. Candidates must be: South African citizens; in good health, aged between 20 and 35 years' with at least three years of relevant work experience; in possession of a four-year engineering qualification from either a university of technology or an academic university. The applicant should be in the employ of a South African Municipality and currently engaged in design, operations and maintenance, upgrading and modernisation, in the areas of water and waste water treatment and services.

The closing date for applications is 27th April 2018. Short-listed candidates must attend a final selection interview in May at the DST offices in Pretoria. Six candidates will be selected by the end of May 2018 and the training programme will commence in September 2018. Please note that the 2018 scholarship is limited to the engineering field of water and waste water treatment. Please contact Ms. Elelwani Ramabulana at the Department of Science and Technology for an application form and guidelines or if you have any inquiries relating to this Scholarship Programme.

Enquiries: Mr Tshepo Rasego, tel. (011) 298-5696/5661

Applications can be forwarded to the attention of the Director: Internal HR Management through one of the following options: Post to: The Director: Internal Human Resource Management, Department of Office of the Premier, The Director: Internal Human Resource Management, 30 Rahima Moosa Street, Newtown, Johannesburg or posted to Private Bag X61, Marshalltown 2107 or online at www.gautengonline.gov.za

Note: Applications must be submitted on the Z83 form, accompanied by copies of qualification(s), Identity Document (certified in the past 3 months), proof of citizenship if not RSA citizen, a comprehensive CV, indicating three reference persons: Name and contact numbers, relationship with reference, reference checks will be done on nominated candidate(s). Note: Failure to submit these copies will result in the application not being considered. Please do not send any original certificates, diplomas or testimonials. Applicants must note that further checks will be conducted once they are short-listed and that their appointment is subject to the outcome of these checks including security clearance, security vetting, qualification verification and criminal checking (it is the applicant's responsibility to have foreign qualifications evaluated by the South African Qualifications Authority - SAQA). Note that correspondence will only be conducted with the short-listed candidates. If you have not been contacted by the Gauteng Office of the Premier within 3 months of the closing date of the advertisement, please accept that your application was unsuccessful. We thank all applicants for their interest. All short-listed candidates for SMS posts will be subjected to a technical exercise that intends to test relevant technical elements of the job, the logistics of which will be communicated by the Department. Following the interview and the technical exercise, the selection panel will recommend candidates to attend a generic managerial competency assessment (in compliance with the DPSA Directive on the implementation of competency-based assessments). The competency assessment will be testing generic managerial competencies using the mandated DPSA SMS competency assessments tools.

CLOSING DATE: 13 APRIL 2018
